

Which attendance zone are you in?

Good attendance = good academic progress

Silver Zone 95% - 97%
Bronze Zone 93% - 94%
Blue Zone 90% - 92%
Red Zone Below 90%

At Mountain Ash Comprehensive our target for your child is a minimum of 95% attendance this year!

The attendance zones shown above are based on a child's attendance since the beginning of the academic year. If a child achieves 95%, they will still have missed 10 days of education that year. 93% is the equivalent of missing almost 3 weeks of school. If a child's attendance is 92% or below they will have missed more than 3 weeks of education. This means a serious loss of learning, which is likely to have a detrimental effect on achievement and life chances.
