

# Which attendance zone are you in?

**Good attendance = good academic progress**

<b>Gold Zone</b> 98% - 100%
<b>Silver Zone</b> 95% - 97%
<b>Bronze Zone</b> 93% - 94%
<b>Blue Zone</b> 90% - 92%
<b>Red Zone</b> Below 90%

**At Mountain Ash Comprehensive our target for your child is a minimum of 95% attendance this year!**

The attendance zones shown above are based on a child's attendance since the beginning of the academic year. If a child achieves 95%, they will still have missed 10 days of education that year. 93% is the equivalent of missing almost 3 weeks of school. If a child's attendance is 92% or below they will have missed more than 3 weeks of education. This means a serious loss of learning, which is likely to have a detrimental effect on achievement and life chances.
