As well as being able to visit the shops, you can phone or e-mail with orders/enquiries and Merlin Sports also has a website, which you can use to order and pay for items of uniform to be delivered to your home. Both companies will also be given the opportunity to set up a shop at the school on specified dates during the summer. Further details on this will be available at a later date.

Both Merlin Sports and Mountain Ash Embroidery have savings clubs available, where you can save money through the shops to go towards paying for your child's school uniform. You can start saving at any point during the year. In both cases, the money has to be saved before purchasing the uniform – you cannot pay for uniform in retrospect.

Every item of uniform purchased from both Merlin Sports and Mountain Ash Embroidery will result in 10% being returned in sponsorship to the school, which will be used to buy resources and improve facilities for the pupils.
