### **VAT Exemption Conditions – Block Booking**

The block booking you make with Mountain Ash Comprehensive School, may, under very exact circumstances, be exempt from VAT. However, the onus will be on your organisation to comply with the following conditions imposed by HM's Revenues & Customs if you wish to claim a VAT exemption.

#### **Conditions which **HAVE** to be met to allow a block booking to be treated as VAT exempt:**

1. The booking must consist of at least 10 lets.
2. Each session must be for the same sport or activity.
3. Each session is to be held at the same venue, although different pitches, courts etc at the site are allowable.
4. The interval between each let is to be at least 1 day but not more than 14 days. Please note that there is no exception for intervals that exceed 14 days through closure of the centre for bank holidays.
5. All lets referred to on the original booking must be paid for in full, whether or not the organisation actually turns up on any particular occasion. Please note that there is no cancellation facility permitted by Her Majesty's Revenues & Customs other than where the Council cancel due to adverse weather conditions or due to unforeseen non-availability of the facility.
6. The facilities must be let exclusively to the hirer during the periods of hire.
7. The club must sign up to a formal agreement with the establishment concerned and the agreement must specify the dates and times of lets covered.
8. The hirer must be a club, school, association or organisation representing affiliated clubs or constituent association, i.e. a league.

In order to comply with conditions, the organisation **MUST** sign and return the attached contract.

**Failure to comply with all of the above conditions throughout the period of the agreement will result in the **WHOLE SERIES** of lets being regarded as VAT standard rated. In these circumstances, the club will be liable to the additional VAT charged.**

Please note, additional dates not specifically quoted in the original contract at the time of booking will be VAT standard unless they are part of a new series of lets, which in themselves meet all the conditions for VAT exemption.
