Dear Parent/Carer,

The Council's Contact Tracing Service (or Public Health Wales) have advised us that there have been confirmed cases of COVID-19 within our school community in Years 10 and 13.

Following this confirmation, an investigation has been undertaken and there are no further risks.

The process of testing and contact tracing is part of the new normal where schools and settings are required to follow the guidelines carefully as part of Welsh Government's Test, Trace, and Protect strategy.

Please can I reassure you we will continue to be vigilant in adhering to all guidelines so that we can keep all children and staff safe. The health and safety of everyone in our school community is of paramount importance and we appreciate your full support during these times.

We are here to provide support and guidance should you require it.

Yours sincerely,

Mrs. S Evans
Headteacher
